

Sonny Lobo

Swiss-born Sonny Lobo emerges as a visionary force in the electronic music scene, redefining sound creation with his unparalleled blend of innovation and artistry. Collaborating with multi-platinum and award-winning songwriters and producers like Martin Sutton, Rob Wells, Helienne Lindvall and Sharon Vaughn, Sonny Lobo transcends musical boundaries. These partnerships have not only enriched his songs with unparalleled depth and sophistication but have also been pivotal in crafting his signature sonic experience that captivates and mesmerizes.

Sonny Lobo's music is a testament to his innovative spirit, blending the pulsating energy of EDM with the soulful depth of Indie Pop and other genres. His adept use of both analogue and digital instruments creates a sound that's not only unique but also a reflection of his deep-rooted passion for music across the spectrum.

Through his music, Sonny Lobo seeks to forge a deep, emotional connection with his audience, crafting tracks that resonate with the listener's own experiences and emotions. Each song is a journey, designed to uplift, inspire, and evoke a spectrum of feelings, making every listening experience uniquely personal and profoundly impactful.

As Sonny Lobo continues to evolve and push the limits of electronic music, his vision extends beyond the horizon. With each track, he aims to not only leave an indelible mark but also to dream big and break barriers, ensuring his legacy as a pioneer of innovative sound.
